OUR GRATEFULNESS:

There was a point of time in our lives whether we walk in the light of creative altruism or in the darkness of destructive selfness. The real heroes are the ones who lift up the suffering ones. We believed that we can't help everyone but at least we can help someone .To each and every one who have been with us for the pursuit of a better world, you are changing the fate of nine families. Sometimes it's in the form of, books, exam fees, uniforms, foods, clothes, medicines, shelter etc. .Your act of kindness is like a drop of oil on a patch of dry skin—seeping, spreading, and affecting more than the original need. We are just an interface between suffering people and you, the real heroes who are changing the world.

We are immensely grateful for the faith you have showered on us and that trust is the most propelling power for these ten families.

“If we do not transform the world who will? If not now, when?”

PARENTAL COUNSELING CLASSES & LIFE SKILLS IMPARTING TO STUDENTS

The main obstacles we faces in bringing up these students is parenting. Even though we have mentors in each and every case parents are the ones who nurtures them These underprivileged people is the lack of self-esteem and direction to live life .In our beneficiaries some are orphans , some don't have father.That is why knowing art of parenting is very much essential to bring up a wonderful human being.

Students need to be motivated and guided through good channels to bring the best in them. Students problems occurring in their age are to be addressed and need to be rectified professionally .

We thank “ Hareesh Babu and Samyuktha Manu” for the one full day classes to our beneficiaries to bring the best in them . Samyuktha Manu given exclusive session for all the female students to inspire them and shared their knowledge and inspired them .

These kinds gatherings are essential for giving them a mental support and will able to get a feel that they are not alone in this survival acts .The counsellors taken care of connecting these humans so that they gets connects and shares their issues and find out its solutions .

We are immensely grateful to St Joseph's Boys Higher Secondary School management for providing the platform to conduct this classes .We also express our gratitude to Reverent father Thadeyoos , Babu Joseph sir and Jude joy for making it happen

“Giving is not just about making a donation. It is making a difference”

“A mans true wealth is the good he does in this world”

“The simplest act of caring is heroic”
